There appearing no bond of record to initiate the matter regarding Case # 18-26407-JKS and any other known associated account(s) relating to FRANCISCUS MARIA DARTEE. I, :Franciscus-Maria: Dartee: accept all charges undertake as follows:

In consideration of the fact that no lawful money of account exists in circulation, and Article 1 Section 10 of the U.S. Constitution specifies the only lawful money available for settlement of debt, and in consideration of the fact that I have suffered dishonor regarding the matter of Case # 18-26407-JKS and associated account(s), I hereby underwrite this bond with my private exemption #214921197, and with the holding a reserve of twenty-one (21) united States of America silver dollars in coin dated pre-1933 issue as surety collateral in lawful money and as witnessed by the attached affidavit, for settlement regarding any and all obligations of performance/loss/costs sustained by the United States of America or State of New Jersey and the respectful Citizens thereof, regarding said matter. I have further paid the freight of this vessel/document via stamp entitling me and this document to right of passage as postmaster per Universal Postal Union requirements.

Unless the court or other party can certify under oath, what other constitutionally required lawful money can be required to collateralize this account/case or if they hold a superior bond in this matter, let them bring forth their bond and bring their B10/Official Form 410 claim form now, if they have any claims or dismiss their claim. I require the other party then to certify my right of subrogation with their bond to settle the accounts.

I stand in honor having brought forth my bond, all inferior bonds or lack therefore should be released on defendants upon receipt.

As Executor of the named estate vessel: FRANCISCUS MARIA DARTEE, and as postmaster of this vessel, instruct the appointed fiduciary; Judge John J. Sherwood, to then discharge the account/case # 18-26407-JKS against any and all defendants and let this Bond stand for any subsequent, related, or superceding case accounts using this Bond, if no superior claims or Bonds are presented within 21 days of presentment of this registered instrument.
